

March 2008

To the Owner, Valerie, as well as the Staff of Villa  
Punta de Mita, (Enrique, Carlos & Sylvia-Cristina)

We all have had such a blissfully relaxing  
vacation. The tranquil views of Banderas Bay, watching  
the beautiful boats glide by and we loved seeing the  
pelicans flying about! The dolphin "parade" was incredible.

We have never stayed in a house where we had a  
chef and a maid ... AND the maid cooked, too! Sylvia -  
we appreciate all your hard work and attention to detail -  
especially your spoiling our 4 yr old. And Carlos -

what a great  
and well 4

Valerie, you
