

September 2008

What a beautiful view from every room!
Breathtaking. Carlos was a wonderful, friendly,
talented chef who created any meal we
requested. The staff was kind, friendly,
and helpful as well. The home is not so
kid-friendly (3 toddlers) and you really
have to watch the corners on the furniture.
One of our boys ended up with 3 stitches
after bumping his head on the corner of
the coffee table. But he still enjoyed

This place!
